To the extent that the monthly benefits received by the child(ren) do not satisfy the obligor's monthly support obligation, the obligor shall pay the monthly support obligation minus the credits received by the child(ren). ☐ The child support obligation is based on the fact the parents are providing substantially equal care for their child(ren). Day care costs, health insurance premiums, and uninsured medical expenses shall be shared as follows: _____% to be paid by the higher income parent and _____% to be paid by the lower income parent. ☐ The child support amount set forth above has been adjusted to reflect each party's proportionate share of these costs. ☐ Each party's proportionate share will be paid as follows:

If the Maine Department of Health & Human Services provides support enforcement services and/or if the obligor is required to pay child support to the Maine Department of Health & Human Services, the obligor shall notify the Department within 15 days of the date of this Order of the following: 1.
